Eric,

This email can serve as a conditional approval of your plans to maintain the cap (and conduct best practices to avoid damage) of the cap at the Tank Car Property in Oreland, Pa.

Our previous email exchanges and phone conversations detail the required additional specificity. Please refer to (at least) the July 10, 2013 email I sent.

In principal, I accept your plans and look forward to them being finalized as an addendum to the original plan.

Thanks

Myles
